### The North-East Football Boom & Bust by Michael Walker

A fascinating read for North East Football fans. This book will take readers through the highs and many lows of North East football. There are plenty of memories of North East Football's most colourful characters like the Middlesbrough players Emmerson and Juninho and Brian Clough.

There is an entertaining chapter on Darlington for Darlington fans.

For football fans with an interest in social history there is plenty of detail about North East society and how it relates to North East football.

There is truly something of interest for all North East football fans in this book.
